Former Student Chosen Editor Of 'Together'

Glenn S. Hensley, Jr., who was a student of N.W.M.S.C. in 1938-39, has been selected from over 200 applicants to be the new executive editor of the "Together" magazine.

While a student at N.W.M.S.C., Hensley worked on both the Missourian and Tower. His specialty was photography.

Hensley was on a two-year pre-journalism plan while at our college, and was advised by Dr. J. W. Jones. After completing this course he transferred to the University of Missouri, where he received an A.B. in Journalism in 1941. He is now working on his masters degree at M.U.

He spent three years in the Air Force, after which he was employed as the main editor of the "Missouri Farmer," for over twelve years.

College Granted \$300,000 Loan

In conjunction with the Federal Housing Program, the College will receive a three-hundred-thousand dollar (\$300,000) loan to defray the building cost of the Union Building extension.

The possibility of the loan was introduced with the passing of a bill of Congress to appropriate funds for college housing and student services. On November 18, 1958, Doctor J. W. Jones began negotiations with the Housing and Home Finance Agency, a federal unit of the Community Facilities Administration. On February 11, 1959, the loan application was accepted, subject to the appropriation of additional funds within the federal program. Before Congress adjourned, August, 1959, these additional funds were appropriated.

Extension Near Completion

Doctor J. W. Jones reports—"There will be additional work on the building. The landscaping will be completed; the furniture has been ordered and will arrive before December 1, 1959."

Thank You

We would like to express a sincere "thank you" to the co-chairmen of the A.W.S. queen's float—Maryln Crouse and Stephanie Johnson. We were also very grateful for all of the help which the girls and boys so willingly gave. You were a great help and we really appreciated it.

The Bearcat Den extension includes a snack bar, the expanded College Bookstore, and a lounge area. The north half of the extension will be equipped with tables and chairs in conjunction with the snack bar. The south half will be a lounge area, equipped with lounge chairs, permanent "A la-a-Chairs", smoking stands, coffee tables, and television cushions. White drapes will form the background for the brown, ivory, turquoise, red, and tau furniture.

The cafeteria extension will be adequately equipped with Frost Walnut tables, Antique White chairs, and green drapes. A new furniture feature will be three round tables, sixty inches in diameter.

Reward Offered

Reward of \$100 is being offered for information leading to the arrest and conviction of the person or persons who set fire to the house decorations of Phi Sigma Epsilon and Sigma Tau Gamma fraternities.

The blaze destroyed the decorations between 5:30 and 6:00 a.m. on Saturday, October 17.

The Maryville police department is investigating the act of arson and pursuing several tips. The reward is being offered by the social fraternities and by the Maryville Chamber of Commerce.

Anyone having information should contact Maryville police Chief George Spencer.

All That Jazz

This reporter has been trying for the past coupla days to come up with something distinctively good so I could start this big deal off with a bang. But I've failed just as distinctively! So . . .

Last year I told myself that I'd be happy about this time of the year. You know, the old bit about turning over a new leaf an, all that jazz. My head was full of hopes of discovering that I had suddenly turned into a genius. But already the shining chrome on the new start is tarnishing, what with a few slightly lower than average grades plus the fact that I'm behind in every course.

I wouldn't feel so terrible if I saw another gloomy face once in awhile. But everyone looks like everything is alright with the world. There's a big "Hi!" everywhere I turn. What this all adds up to is depression and frustration.

Hey! Wait! That's what the Beatniks have been preaching in Greenwich Village. And I've been hearing tales that the bearded ones have started organizing here on campus.

The Northwest Missourian Staff has been out scouting around for a member-in-good standing of the cult. But we haven't had any luck!

I can see it all now, future Northwest Missouri students, spouting poetry, wearing black leather jackets and torn T-shirts or whatever Beatniks wear.

Seriously, if you should see a card carrying Beatnik "go-man-going" by, be sure and head in the general direction of the Missourian office where a reporter is waiting, typewriter ready, to make a report on college Beatniks to the campus conformists who are undoubtedly waiting for the news.

Always Remember

Walkout Day will always be remembered by this year's freshmen with great esteem as they continue through college. It awakened many of us, and for the first time we were able to see the real purpose of the beanies, the signs, and the rest of the stuff that went along with freshmen hazing.

We realized its purpose was to take the cockyness out of us. Here we were on top of the world starting college; we were big men and women and nobody was going to tell us what to do. But it seems the M-club members chopped about a foot and a half off most of us, bringing us back down to earth. Of course there were those who rebelled, but you can easily pick their bald heads out around the campus.

Those freshmen who attended the little foray at the close of Walkout Day will never forget it. Most of us learned that the M-club members could take it as well as dish it out, and anybody that can do that is OK in our estimation.—Ron Guthery for the Freshmen Class.

Drama Club Meets

The Drama Club met Wednesday afternoon, October 14.

The members discussed and demonstrated techniques of theater makeup.

Betty Ambrose was appointed by Mr. R. A. Hesler to serve as acting president and secretary of the club until the elections for officers are held.

The next meeting will be held October 28 when the emphasis will be on acting.

BSU Has Hayride

Members of the Baptist Student Union enjoyed a heap of fun on a pile of hay last Friday night as they went on a moonlight hayride.

With an abundance of mirthful merriment and a crisp, exciting, fresh autumn breeze, the BSU'ers and their friends began their evening festivities at 7 o'clock by setting out on an evening of fellowship and adventure which is always so popular at this season of the year.

Dorm Council Meets

At the first meeting of the Dorm Council, Janice McDowell was chosen to serve as secretary and Suzanne Walker as treasurer.

The council voted to assist the upper-class girls with the Harvest Moon Ball.

Also appointed by the councilors to serve as floor chairmen were Karen Ruse, first; Barbara Jones and Sharon Trump, third; and Monica Morris and Mary Ellen Disburg, fourth.

Homecoming Win 22nd for 'Cats

The Bearcat victory over Springfield furnished the old record book with another amazing fact. Few people realize that the Homecoming win of this season makes the twenty-second victory for Northwest Missouri in Homecoming play since 1929.

The record book of 1929 shows a final score against St. Benedicts of 7-6. Outstanding scores are the tallies against Tarkio in 1932, 37-6, and Springfield in 1937, 47-0. Cape Girardeau has the distinction of being the only team to hold the Bearcats to a 0-0 score.

Because of a bigger and tougher game, World War II, there were no Homecoming games played in 1944 and 1945. But in 1947 last week's opponent also lost to the Green-White 7-0.

Orientation Tests Results Now Available

Dr. C. E. Koerble, Dean of Faculty, announces that the results of the freshmen orientation tests are now available for the students.

The orientation tests given are a part of the system of the National Freshmen Testing Program and give all but the listening tests. All answers are placed on a single answer sheet and sent to the University of Iowa for scoring.

Freshmen are welcome to discuss their scores with the dean. They may make an appointment with his secretary for a 15 to 20 minute interview.

The value of these scores to the student is that they show up strengths and weaknesses on the part of the student relative to his major vocational goal.

Alum Sees Homecoming After Much Travel

Forte Sandison, a 1933 graduate of Northwest Missouri State College, traveled from a suburb of Washington, D. C., to attend Homecoming this year.

Leaving Washington, D. C., Sandison went to New York then to a convention in San Francisco, on to Kansas City and Moberly before arriving in Maryville. He passed up the opportunity to attend a convention in Hawaii in order to attend Homecoming.

Before returning home, Sandison planned to visit St. Louis.

Bearcats Top Bears 14-12 In Homecoming Game

The Bearcats of Northwest Missouri State College gave an overflow homecoming crowd a tremendous show Saturday afternoon winning an M. I. A. A. conference football game over Springfield, 14-12.

Both teams scored touchdowns in the last two minutes as the home fans anxiously awaited the end of the game.

Maryville trailed statistically in the first half, but rallied to come out on top in rushing.

The Bears scored with five minutes gone in the third quarter after taking over on the Maryville 22. Dale Cramer teamed with Mike Jennings to score the T. D. Maryville then launched a sustained drive from its own 27. Maurice Fulton, Stuart Cline, and Fred Fuhr highlighted the tally drive as the entire team ripped through the hapless Bear defense.

Late in fourth quarter, Maryville got a break that proved to be the deciding factor in the game. Jack Lasley recovered a Springfield fumbled punt in the Springfield end-zone for the second Bearcat tally. Both extra point tries by Jack Taylor were successful.

With approximately two minutes to go, Dave Eustis engineered a 65 yard Bear drive for a T. D. Eustis took the role of pass receiver and grabbed two straight from quarterback

Kramer for the second Bear score.

John Devore, a defensive transfer from Highland, saved the day by breaking up the extra point try with a hard tackle.

Cited for outstanding performance were Maurice Fulton, Al Kyle, Stuart Cline, Fred Fuhr, John Devore, Jack Lasley, Larry Holland, Dorsey Templeton, Ron Ives, and Joe Monachino.

The victory gave the Bearcats new life and a 1-1 record in the conference. The win was Maryville's first over Springfield in five years.

The Bearcats remain undefeated on their own turf.

'Cats to Meet Rolla Saturday

For their last home game the Bearcats will tangle with the Rolla Miners. The game will be played on October 31 at 2 o'clock.

Thus far in the season the Miners have a 3-2 won-lost record against conference and non-conference foes. They started out the season in a winning fashion by defeating the Washburn Icabods, 6-0. However, next week they were dropped by the powerful Lincoln University team, 30-14. Rolla then bounced back to win its next two games 20-7 and 34-20, of Pittsburg and Warrensburg, respectively.

Two weeks ago they lost to a powerful Cape team 30-7; compared to Maryville's 43-12 loss the teams seem to be about even.

Cats Lose in Last Minutes, 18-13

The Northwest State College Bearcats had victory within their grasp up until the waning minutes of their game with the Mules Saturday at Warrensburg, but saw it fade as the Mules tallied a last minute touchdown by their ace Jerry Boyce for an 18-13 win.

It was Boyce's second TD of the fourth quarter and third in the game that dimmed the hopes of the visiting Bearcats.

Coach Paul Turner's proteges played ahead for nearly three quarters and held a 13-6 edge at the end of the third in the MIAA loop game.

Boyce had scored the Mules first tally, but failed to convert.

The Mule halfback reeled off gains of 11, 10, 23, and 31 yards on one drive, then cracked over from the one for the tally. But an attempt for a two-point conversion via a run was stopped, and Northwest State still had a 13-12 lead.

But Warrensburg came back in the waning minutes, and again it was Boyce getting the tally, on another smash from the one. The conversion attempt failed, but the 13-13 Mule lead held up.

For three periods, it was Maryville's football game. The Bearcats matched Warrensburg's second-period touchdown with a 21-yard aerial from Maurice Fulton, quarterback, to Al Brooks.

Fulton banged over from the one in the second quarter to give Maryville the lead. Jack Taylor's placement made it 13-6. Warrensburg's first touchdown had come on a 17-yard pass from Charles Kouns, quarterback, to Boyce.

Random Shots . . .

It appears a real battle is shaping up for conference champion. Kirksville and Cape Girardeau both seem to covet the honor highly and seem to be aiming their sights for it. Both teams have a 2-0 won-lost record in the conference. Kirksville, however, has the better over-all record, 5-0, while Cape has a 3-2 over-all won-lost record.

However, if either team should loose before their meeting and if Maryville should win the Warrensburg game their might be a good chance for a three-way conference tie which would include the Bearcats.

Tale of Two Cities!

Among Western Hemisphere cities with the largest per capita enjoyment of Coca-Cola are, interestingly enough, sunny New Orleans and chilly Montreal. When we say, "Thirst Knows No Season," we've said a cheerful mouthful. So don't take any lame excuses about its not being hot enough for Coca-Cola. Forget the temperature and drink up!
